## Introduction

The event is jointly organized by the Federation of Traditional Judo of Italy (FIJT) and Judo For All UK (JFAUK) under the auspices of World Judo Federation (WJF) that has enshrined the very concepts of Traditional Kodokan judo and “judo for all” in its founding documents.

The seminars, courses, and the contests planned by the organizing committee will be conducted under the guidance and recommendations of the European Technical Committee of the World Judo Federation and in adherence to the concepts of Traditional Kodokan Judo.

The organizing committee invites all members of WJF and other judo formations supportive of the principals laid down by Professor Jigoro Kano to join us in Jesi (Ancona), Italy in November 2015 and to participate in our common initiative to revive and reinvigorate judo and the best that it can offer to all.

## Contest Rules

The competition rules are those rules and regulations that were proposed and officially ratified by the *WJF European Technical Committee* (at its meeting in Jesi, Ancona in October 2012), that can be downloaded from the website of [www.judoforall.org](http://www.judoforall.org)
